Re: Brush Disposal at the Transfer Station

Due to the difficulty we all face during this current crisis, we want to do all we can to, not only continue to provide you with the service you deserve but, to also find opportunities to provide you with financial relief.

In furthering those goals, the Southold Town Transfer Station will continue to accept brush at no cost until May 31, 2020.

The requirement for a permit and the entry fee will continue to be waived until further notice.

For information, contact the Supervisor's office at (631) 765-1889.
