

# “Oh, Deer...”

~ A Look at the Toll our Deer Overpopulation Has Taken on the  
Environment and our Health —  
and Practical Solutions that Can Make the Difference ~

## **Cutchogue Civic Association**

**Thursday, April 20, 2023**

**6:00 - 7:30 PM**

## **Cutchogue-New Suffolk Library**

Local experts will discuss the widespread impact  
of our deer overpopulation  
and offer insights into proven, practical solutions —  
solutions that might just provide the answer  
to this decades-long problem.

**Speakers:** Greg Doroski, Craig Jobes, Arnold Blair, John Rasweiler PhD
